- e. Each incoming veteran is individually welcomed and counseled by the pre- admissions advisor and VRC Coordinator including review of a sixteen point checklist that includes common student veteran pitfalls and services provided by the Veterans Resource Center.

#### 4. Advising

- a. After an initial orientation to the Veterans Resource Center and Programs, we explore ways to be a successful student.
- b. We explore ways to be a smart student regarding scheduling of classes, types of semester classes and load breakdown.
- c. We have assisted student veterans with classes on how to plan a week from class time to merging work, family, and study time.
- d. The VRC Coordinator is the student veteran's faculty advisor for their time at WNC.
- e. Students not meeting Satisfactory Academic Progress (SAP) meet with the Coordinator weekly to review previous week's work, current week requirements and upcoming semester projects for each class.

#### 5. Career exploration/definition & Accelerated Technical Programs

- a. For those students who do not have an academic direction or chosen career field, we work with SIGI 3 software to assist that process. SIGI 3 basically does an inventory of an individual's likes, dislikes, merges that with work experience /military occupational specialty, and gives possible career paths to explore based upon those answers and shows schools with those programs.
